# OUR PURPOSE:

To establish, engage, encourage, and equip the next generation of Biblical musicians.

## ESTABLISH

**Building Strong Foundations:** Our mission extends beyond the present. We desire to help delegates grow musical proficiency and spiritual convictions that will stand the test of time. As we delve into the nuances of Biblical musicianship, we will focus on creating a solid groundwork upon which participants can confidently build their future musical endeavors.

## ENCOURAGE

**Understanding the 'Why':** Our program is designed not only to teach the 'how' of music but also to examine the 'why' by encouraging critical thinking. Participants will explore the theological, historical, and technical context of church music. In short, we don't answer questions with "Because I said so."

## ENGAGE

**Forging Relationships:** We are endeavoring to create an environment where delegates can connect with mentors and peers. We aim to nurture lasting bonds, rooted in shared Biblical principles and musical passion, that extend beyond the duration of the seminar.

## EQUIP

**Tools for Success:** We will offer a comprehensive curriculum encompassing the practical and spiritual aspects of church music. From vocal and instrumental training to lessons on composition and arranging, our participants will be equipped with the skills and knowledge necessary to contribute meaningfully to their local churches and beyond.
